SUMMARY

Java Full Stack Developer with 4+ years of experience designing and building scalable, secure, and efficient web applications using Java, Spring Boot, Angular, and AWS. Proven expertise in end-to-end software development, Agile methodologies, and delivering impactful business solutions. Passionate about solving complex problems and constantly learning new technologies.

SKILLS

Backend Technologies: Java, Spring Boot, Hibernate, MySQL, MongoDB, REST APIs

Front-end Technologies: Angular, TypeScript, JavaScript, Tailwind CSS, Bootstrap, HTML5, CSS3

DevOps and CI/CD: Amazon Web Services (AWS), Docker, Jenkins, Git, GitHub

WORK EXPERIENCE

Analyst II Software Engineer, DXC Technologies Pvt. Ltd., Noida September 2022 - Present

- Worked on multiple Java full-stack projects, including Skill Mapper, PC1, PFS Web, MAC CS, Claims Connect Zurich, and PLAI projects.
- Responsible for developing user interfaces using Angular for the MAC CS, Skill Mapper, and PLAI projects, including user interaction and backend integration.
- Diagnosed and resolved multiple production and functional issues in Spring Boot-based microservices, improving system reliability and performance for the Claims Connect project.
- Responsible for developing the UI using Bootstrap and the backend using Java, implementing database interactions with Hibernate, and performing unit testing for the PC1 and PFS Web projects.
- Resolved caching-related issues and improved SonarQube code coverage from 76% to 90% for the PFS Web project.

PROJECTS

Banking System December 2024

Developed a banking system that enables users to manage accounts, securely transfer funds, view transaction history. Technology stack includes Angular, Spring Boot, Hibernate, Tailwind CSS, MySQL, and Git.

Job Search Portal Using Elasticsearch January 2025 - February 2025

Developed a backend application that enables efficient job searching. Technology stack includes Spring Boot, Java, Elasticsearch, and Git.

EDUCATION

B.Tech. in Electronics and Communication Engineering July 2018 – July 2022

Jaypee Institute of Information Technology, Sector 62, Noida

Cumulative GPA: 8.8/10

CERTIFICATIONS

Oracle Certified Associate, Java SE 8 Programmer July 2023

Issuer: Oracle Corporation

AWS Cloud Practitioner May 2024

Issuer: Amazon
